

CHIROPRACTIC SCHEDULE OF BENEFITS

Benefit Plan:

\$15 Copayment per Visit

30 Visit Annual Maximum Benefit

PacifiCare makes available to you and your eligible dependents a complementary health benefits program for chiropractic. This program is provided through an arrangement with the ACN Group of California, Inc. (ACN Group). ACN Group monitors the quality of the care provided by participating ACN Group providers.

How to Use the Program

With ACN Group, you have direct access to more than 3,500 credentialed chiropractors servicing California. You are not required to predesignate an ACN Group provider or to obtain a medical referral from your primary care physician prior to seeking chiropractic services. Additionally, you may change participating chiropractors at any time.

Our program is designed for your convenience. You simply pay your copayment or coinsurance at each visit. There are no deductibles or claim forms to fill out. Your ACN Group provider coordinates all services and billing directly with ACN Group.

Annual Benefits

Benefits include chiropractic services that are Medically Necessary services rendered by an ACN Group participating provider. In the case of chiropractic services, the services must be for Medically Necessary diagnosis and treatment to reduce pain and improve functioning of the neuromusculoskeletal system.

Calculation of Annual Maximum Benefit Limits

Each visit to an ACN Group participating provider, as described below, requires a copayment by the member. A maximum number of visits to either an ACN Group participating chiropractor per calendar year will apply to each member.

Chiropractic Services: Adjunctive therapy is allowed at each office visit. If adjunctive therapy is provided without a chiropractic adjustment, the adjunctive therapy will count as an office visit toward the maximum benefit. If an examination or re-examination is supplied without an adjustment, the examination or

re-examination will count as an office visit toward the maximum benefit.

Provider Eligibility

ACN Group only contracts with duly licensed California chiropractors. Members must use ACN Group participating providers to receive their maximum benefit.

Types of Covered Services

Chiropractic Services:

1. An initial examination is performed by the ACN Group participating chiropractor to determine the nature of the member's problem, and to provide, or commence, in the initial examination, Medically Necessary services that are Covered Services, to the extent consistent with professionally recognized standards of practice, and to prepare a treatment plan of services to be furnished. An initial examination will be provided to a member if the member seeks services from an ACN Group participating chiropractor for any injury, illness, disease, functional disorder or condition with regard to which the member is not, at the time, receiving services from the ACN Group participating chiropractor. A copayment will be required for such examination.
Subsequent office visits, as set forth in a treatment plan, may involve a chiropractic adjustment, a brief re-examination and other services, in various combinations. A copayment will be required for each visit to the office.
2. Adjunctive therapy, as set forth in a treatment plan, may involve therapies such as ultrasound, electrical muscle stimulation and other therapies.
3. A re-examination may be performed by the ACN Group participating chiropractor to assess the need to continue, extend or change a treatment plan. A re-evaluation may be performed during a subsequent office visit or separately. If performed separately, a copayment will be required.
4. X-rays and laboratory tests are a covered benefit to examine any aspect of the member's condition.
5. Chiropractic appliances are payable up to a maximum of \$50 per year when prescribed by an ACN Group participating chiropractor.
