### MEMORANDUM

To: CYO Track Coordinators  
From: CYO Office  
Re: Legal Track Spikes

This is a reminder that CYO rules and track facility rules limit the use of spikes to **PYRAMID SPIKES OF 1/4" OR LESS**. Longer spikes, "needle spikes", and other styles of spikes are prohibited.

Please check your runners **prior to the day of the meet** to be certain that your runners wear spikes that are legal. Athletes may not wear shoes with illegal spikes in competition!

To assist you, below is a picture of the various spikes from an equipment catalog:

In the picture, the 1/4" pyramid spike is boxed on the top row, second from left. All other spikes pictured are ILLEGAL for CYO competition. The spike on the far left is a 1/8" pyramid spike and is also legal.
