

Catholic Bible Institute

Grow in relationship with Jesus through study of the Bible

CBI is a three-year, comprehensive Bible study program that focuses one year on Old Testament, one on New Testament, and a third on practical skills for facilitating Bible-based processes among a variety of parish groups and beyond. CBI participants study the Word of God according to Catholic principles and connect with Word to daily life through prayer and conversation.

"The Catholic Bible Institute is doing such great work helping Catholics come to know the word of God in all its richness...CBI is truly putting biblical scholarship at the service of the Church."
Dr. Mark Giszczak, Associate Professor of Sacred Scripture, Augustine Institute
