

Deacon Prayer of Commitment

Lord, God of Compassion,

You have called us to be servants of Your servants.

May we always submit ourselves

to do Your will,

to always give God's glory in our ministry of service,

to stand firm and committed in our faith,

to be dependable and dedicated at every task with humble hearts,

to think less of ourselves while respecting the dignity of every person,

to do our best and

to serve by example.

May Your love strengthen us,

with wisdom and understanding,

with courage and patience,

with reconciliation and healing,

because the greatest and the least of

our brothers and sisters deserve our compassion.

Amen.
