

# 2021 IMPACT REPORT Family Aid-Catholic Education

**WHAT WE'RE FIGHTING FOR**  
FACE provides critical student support resources, for many, as the first generation of their families to receive a quality education that paves the way for higher education opportunities and beyond. FACE families come from neighborhoods where adversity is high. Sadly, in these same communities, hope, and the expectation of a change for the future, is low.

By partnering with our generous supporters to award scholarships to deserving families, we are providing students of today the opportunity to rise above their economic challenges. The investment will inspire the next generation of active and engaged community leaders of tomorrow.

**COVID-19 RELIEF**  
When disaster struck, we were there, Family Aid-Catholic Education, creating a COVID-19 Plan to support our families in need. We worked with our closest partners to develop a plan to increase our scholarship award amount to \$2,500 for elementary & \$3,500 for high school students. This change made the difference for families to be able to keep attending their catholic school.
