

OAKLAND DIOCESE CYO CROSS COUNTRY BIBS / NAME TAGS / PARISH CODES FOR NAME TAGS

- **BIBS FOR THE FIRST AND DIOCESE MEET: Bibs are Required** for these meets. Coordinators **must register their runners** on the provided form **one week prior** to each of these meets. On arrival, the coordinator will pick up a packet with a bib for each runner showing an assigned number containing a chip, along with safety pins. The bib must be pinned to the corresponding runner's chest. The bibs do not need to be returned.
- **SECOND AND FOURTH MEETS: Removable Nametags are Required.** As in previous seasons, each participant must wear a removable nametag with: First AND Last Name, Parish/School Team Abbreviation, Gender and assigned number from the first meet, clearly indicated. Teams must use the designated abbreviation (below) for parish/school names. Teams should bring their own nametags.
- Note: Nametags should be **1-1/4 " or less** in height and legible.
- **RELAY MEET:** Only the anchor runner should wear a removable nametag with name of parish team indicated. Mixed parish teams will receive a nametag.
- **ABBREVIATIONS:** The following are for parishes/schools that may be competing this year - this is how the school names should appear on the runners' labels and in the "school" column on the race results pages. This will greatly aid in producing accurate results!
